

Dear friends,

Like every good idea, it all began while taking a shower. Our founder and president sensed the Lord telling him “small doses” and so *The Basic Things You Need to Know About Jesus* was born. It was just 32 pages and written in a way that anyone could understand, without being simplistic. A couple thousand copies were printed in India as a test phase, and distributed to 100 churches in remote or slum areas where there is no access to discipleship resources. They disappeared overnight as believers not only hungrily read them, but began to give them to their unsaved friends, family and neighbors!

That book has led to the creation of a 30 book series, all 32 pages each, intended to be used over a period of 5-7 years. The number of churches taking part in this program has grown from 100 to 1,500 and continues to grow every month, primarily in India, Nepal, Uganda & Ukraine. It has been translated into 13 languages, including our newest addition in Arabic, which is being used in Middle East countries and also in European countries to reach Arabic speaking immigrants and refugees.

Every three months each believer receives the next book in the series. Pastors receive outlines and training to lead their congregations through the books. Small groups are formed and people study these books together, leading to literally entire churches being revived and transformed!

This discipleship program is at the heart and core of all *ServeNow* does. Jesus told us not only to preach the Gospel in all the world, but to make *disciples* of every nation. This is a program you/your church can take part in, thus fulfilling the Great Commission!

Over the summer months of 2016 we need to print another 115,000 booklets. Some are reprints that are needed and others are the next four books in the series!

Will you/your church join us in the challenge of taking on one of these books in one language?

Together let us work diligently and faithfully to make disciples, protect believers from false teaching, and equip them to reach their communities through growing in the grace and knowledge of the Lord in a systematic and simple way. Visit our website (weservenow.org) or you can send a check to:

Making Disciples. Transforming Lives. Reviving Churches.

My joy and hope has been restored through the message in this book. All my fears are gone and the Word of God is abundant in my life. I have come to desire the Word of God. It is my daily bread. -Josephine, Uganda

Alexander, 32 years old, My idea of what prayer is like has completely changed after reading this book. I began to realize how important prayer is to the Christian life. -Ukraine

These booklets lay a proper foundation of Christian faith. When the person(s) accept Jesus as their Lord and Savior, these books really help them grow in their relationship with Jesus!
